

CRIME AND COMMUNITY SAFETY PARTNERSHIP**Questionnaire**

In order to fulfil its task of reducing crime and disorder and promoting community safety in Milton Keynes, the Partnership will need to tackle issues of major importance to residents and local enterprises. To help us build this in to our working practices, we would be grateful if you could consider the following, and return the completed questionnaire to the address on the covering letter.

1.	Name
2.	Which organisation(s) or group(s) do you represent on the Partnership?
3.	Which issues are of greatest importance or interest to your organisation(s) or group(s)?
4.	Which methods do you use to represent the organisation(s) or group(s) above? e.g. Regular meetings, bulletins, personal discussion etc.

5.	A suggested model agenda for Partnership meetings is attached, aimed at maximising time for discussion on critical issues. Is this suggested agenda acceptable? Would you like to propose any amendments?
6.	Are there any other ways in which the Partnership could become more effective?
