LSC02 APPLICATION FOR A REVIEW OF A PREMISES LICENCE - THE DON RESTAURANT, 502 ELDER GATE, CENTRAL MILTON KEYNES

The Senior Practitioner Officer advised the Sub-Committee that a hearing was necessary following an application that had been submitted by the Home Office (Immigration Enforcement) to review the premises licence at The Don Restaurant, 502 Elder Gate, Central Milton Keynes, MK9 1LR.

The Sub-Committee noted that, since the publication of the Agenda, further documentation had been received from the Licence Holder informing the Licensing Authority that the premises licence would be (and had been) surrendered with effect of Monday 1 June 2020.

The Sub-Committee carefully considered the surrender of the premises licence and felt it appropriate to adjourn the hearing in case an application for reinstatement of the licence concerned was made within the statutory timescale laid down in the legislation.

RESOLVED -

That the hearing be adjourned for 28 days and would reconvene on Wednesday 1 July 2020.

THE CHAIR CLOSED THE MEETING AT 6.10 PM
