Dear Sir/Madam

Licensing Act 2003

Re: Costcutter, 2 Harrier Court, Eaglestone, Milton Keynes, MK6 5BZ

Further to your application for a premise licence which was granted last year.

We have been contacted by Trading Standards who had witnessed the sale of alcohol to a minor in March this year.

I would remind you that responsible authorities such as Trading Standards are able to call for a review of your licence at any time should they feel the licensing objectives are not being promoted.

Under the Licensing Act 2003 it is an offence to knowingly sell alcohol to an individual under 18 should any offences be committed enforcement action will be taken.

If you have any queries please do not hesitate to contact me.

Yours faithfully

Claire Affleck
Licensing Officer
