Fullers Slade Regeneration Ballot

Dear resident,

As you will be aware, the Fullers Slade community within the red line area will be voting on regeneration options on **Friday 29 November** (2pm to 9pm) and **Saturday 30 November 2019** (10am to 4pm) at the Rowans Family Centre, Moorfoot.

Before the vote, we want to ensure residents have all the relevant information in order to make an informed choice. We are also holding a number of information events for residents – further details are below.

Within this pack, you will find four documents enclosed with all of the information you need before the vote takes place – these include:

1. Regeneration Options
2. Resident Offers
3. Resident Charter summary (the full version can be found here XXX)
4. Frequently Asked Questions and Jargon Buster

The vote is being organised by Milton Keynes Council and will be carried out in the same way as any other election. The result will be announced on the afternoon of 30 November.

When you vote:

- Only vote for one option
- The option with the most votes will be taken forward.

Ballot options

The Council and Resident Steering Group believes that the three options below offer the best opportunities for delivering regeneration in Fullers Slade. For more information about the options, please refer to the **What are my options** document in the pack.

- **Option 1: no redevelopment, refurbishment or estate improvements**
- **Option 2: refurbishment and infill**
- **Option 3: refurbishment, infill and estate improvement**

If option 2 or 3 is chosen, MKC will continue to work with residents to develop the designs ahead of a planning application being submitted next year.
