Dear Ron

I am pleased to confirm that the applicant has now amended their application as follows:

- 1) The supply of alcohol will be no later than 01:30hrs on Friday and Saturday
- 2) That the premises shall close by 02:00 on those nights
- 3) that all members and guests (so patrons, rather than staff) will be clear of the premises by the closing time specified on any night

I believe that satisfies your representation and so I am going to consider it withdrawn.

Ed

Dear Ron

Thanks for getting back to me.

If the applicant changes their application to last orders at 01:30 with closure at 2am would you withdraw your representation? I haven't given them that choice yet but it would be something I could try.

Thank you Eddie but we was also concernd about the lateness of time 330am we felt that is to late we think that 2am is quite late enough and last orders at 130am as 70to 90 people out on the streets at 330in the mornings can cause disorder on the streets and then that will bring us back to noise and Sunday to Thursday the time needs to be cut as well thank you Ron haine chair

Dear Mr Haine

Since your representation the applicant has made some changes.

All types of Regulated Entertainment have now been removed from the application. This should mean that noise from loud music is not a problem - as they wont be licensed for it

If this is sufficient for you to withdraw your representation please let me know.

Dear Mr Haine

Thank you for your representation about this application. I appreciate why you are concerned.

In order for the Licensing Authority to accept it please will you give me a little more information about the residents association.

It will add more weight to your comments if you could explain who the association represents, what area of Bletchley in particular it covers and the roads you would be particularly concerned about, and also an address for us to send correspondence to.

I don't need too much information but enough to show the organisation represents residents locally etc.

Do give me a call if it's easier
