Subject: Complaint that a member may have failed to adhere to their Code of Conduct

Dear Councillor Baines,

In addition to your self referral, I have received two complaints against you, regarding your conduct. As these are to do with the same matter, I am proposing to join them, therefore your original response will be considered, however would you like to make any comments on the attached before I pass them on for consideration?

I also reiterate the offer of an independent person for you to discuss matters on a confidential basis prior to your response.

Please let me know if you would like to speak to an independent person.

Kind regards

Kat
