Responsible Authorities Group (RAG) Decision Report

Date: 21 June 2012

Subject: Community Safety Partnership Terms of Reference

Reason for report

Milton Keynes Council has set up a Community Safety, Crime and Policing Select Committee to scrutinise the work of the Community Safety Partnership. This statutory function was previously conducted as part of the work of the Safer and Stronger Communities Committee. It is anticipated that the new committee will be able to devote a concentrated overview into the work of the partnership.

This necessitates a small change in the terms of reference of the partnership which the RAG is asked to approve. The terms of reference are attached to the report with the change highlighted.

Significant changes to the terms of reference will be required when the Police and Crime Commissioner is elected in November and it is recommended that they be formally reviewed again in the December meeting.

Recommendations

1. That the alteration in the terms of reference be approved
2. That the Partnership notes the new committee arrangements and agrees to support the scrutiny function
3. That terms of reference be reviewed fully in December.
