

ANNEX D TO ITEM 3

This Annex sets out the policies that the Inspector **does not** recommend any further changes to (i.e. he **supports** the Council's position and does not accept any objections to it).

In this respect he supports any changes that the Council may have put forward as Pre Inquiry Changes (PIC), which will need to be advertised as modifications to the Plan. Where Pre Inquiry Changes were put forward by the Council, and supported by the Inspector, these are indicated below.

No action is required by Cabinet in respect of these policies, sites or recommendations.

Section 1 of Part 1 Report

	PIC No.
5.1: Northern Expansion Area	
20.1: Broad strategy of plan (focussing growth on MK City)	
20.3: Overall Expansion Area strategy (east/west of City)	
20.4: CMK proposals (at strategic level)	
20.5: Large Footprint Employment allocation in EEA
