Dear Andrew

**THECENTRE:MK, SHOPPING BUILDING
PLANNING APPLICATION WITH REFERENCE: 12/01724/FULEIS & 12/01725/LBC**

We write further to our letter of 19th February 2013 advising you of the withdrawal of the replacement market application (Ref: 12/01731/FUL). We subsequently advised that our clients are committed to reassessing the proposals in light of the feedback received. Given that the replacement market application is closely linked to the proposals for Secklow Gate, we hereby advise that the planning and listed building consent applications (References: 12/01724/FULEIS & 12/01725/LBC) should also be withdrawn from consideration by your Council to allow a full and complete review.

We would appreciate confirmation of the withdrawal of this application at the earliest opportunity and look forward to discussing the above proposals with you in due course.

Yours sincerely
