Dear Licensing

Re Premises Licence Application - Memlings Metro Ltd

I have reviewed the premises licence application and think it would be prudent to have the following conditions included on the licence, bearing in mind the popularity and location of the venue:

“All persons involved in alcohol sales must receive full and adequate training on the law relating to underage sales and a written record of the training each person has received shall be maintained. Regular refresher training is also to be given and recorded. The training records / log are to be kept on site and shall be provided to the Police, the Local Authority or Licensing Authority on request.”

“An effective 'challenge 25 policy' shall be implemented and maintained in place at the premises. Any persons appearing to be under the age of 25 who attempts to purchase alcohol must be challenged in respect of their age and required to provide adequate proof that they are over the age of 18 before they are sold or supplied with alcohol.”

Please note that I would like to see the ‘Challenge 25’ age policy being used instead of the 21 policy which is currently on the application

“Only photographic based forms of identification shall be accepted as proof of age in respect of suspected underage sales. These must be accredited to the PASS scheme or subsequent equivalent but could also include passport, HM forces ID card, driving licence, national ID card

A refusal log to record all attempts to purchase alcohol that were refused shall be kept on site and all refused sales recorded. The log shall be checked and counter signed by the Designated Premises Supervisor on a regular basis and shall be provided to the Police, the Local Authority or the Licensing Authority on request.”

If you would like to discuss this matter then please don't hesitate to contact me.

Many thanks and best regards
