

THE COUNCIL'S VALUES

(Revised version)

Changes from the version circulated are shown in italics.

- To be an open, accessible, consultative, *responsive* and accountable organisation
- To work in partnership *to improve outcomes* for local citizens and communities
- To strive for continuous improvement in service quality, equity and value
- *To provide best value* in seeking to meet local needs and aspirations
- To strive for *integration*, flexibility and innovation in service management and delivery
- To support and develop our staff to provide responsive, helpful and efficient services

Author: L McGillivray (Head of Policy and Communications) – MK 252665
