

SaferMK Partnership Information Report

Subject: SaferMK Strategic Assessment 2015

**Report Author: Steve Conway – Senior Community Safety Analyst
and Research Officer, Tel: (01908) 257910**

1. Purpose of report

- 1.1 To receive an initial key findings summary presentation on the Community Safety Strategic Assessment for 2015 this will inform the work streams for SaferMK in 2016.
- 1.2 The 2015 Strategic Assessment addresses developments in crime and community safety during the previous year; and anticipates issues facing the partnership in the coming 12 months, the final draft will be presented at the October SaferMK Partnership meeting.
- 1.3 The Strategic Assessment is a statutory requirement of all Community Safety Partnerships.

2. Recommendations

- 2.1 To receive the presentation and provide initial comment and feedback.

3. Comments/Recommendations from Overview and Scrutiny Management Group

- 3.1 There are no specific comments in relation to this report. However it is a statutory obligation for the Committee to hold the activities and performance of the Partnership to account.

4. Background

- 4.1 Across the Partnership there has been a delay in receiving data and performance information. The Strategic Assessment document will be ready for October 2015.

5. Implications to SaferMK Partnership

- 5.1 The Strategic Assessment forms part of the statutory duty of the Community Safety Partnership

6. Other considerations / Key Partnership Involvement

- 6.1 All partners contribute to the production of the assessment. This assessment will form a basis for the wider SaferMK Partnership and partners in 2016.

7. Attachments/Background Papers

- 7.1 None
