Crime and Disorder:	Yes
<p>The convenience store is in close proximity to Pink Punters night club and the Town Council is concerned that if off sales are available so close to the club there is likely to be "pre-loading" by customers in the vicinity of the store and the club or in the queue to get in. Post club drinking could also result from the extended hours. In previous years there have been some problems with disorder in the vicinity of the club and although the Town Council does not hold records of verified individual incidents complaints have been made by residents to Town Councillors.</p>	

Public Safety:	No <input type="checkbox"/>

Public Nuisance:	No <input type="checkbox"/>

Protection of children from harm:	Yes
<p>The Town Council is concerned that the excessively long extended hours would allow more opportunity for young people to purchase alcohol and that this could result in harm. Equally pre and post drinking by customers of Pink Punters could result in harm to young people and children.</p>
