

## **SaferMK**

### **Responsible Authorities Group (RAG) 21 June 2012 Information Report**

#### **Subject: SaferMK Social Enterprise**

#### **Reason for report**

To update RAG members of the SaferMK Social Enterprise Business Case Proposal

#### **Items for consideration**

It is requested that RAG members acknowledge the update.

#### **Background**

In February 2012 the SaferMK support team drafted an Expression of Interest following the Localism Act 2011 which granted the option to propose a Social Enterprise from Council Employees providing it demonstrated both value and social return.

At the March 2012 RAG SaferMK support team presented the Expression of Interest and asked for agreement to progress with an outline draft business case.

Milton Keynes Council is currently outlining its position on Social Enterprise, and at this time is undertaking an overall internal review on its policy. In the meantime the SaferMK Support team has been working on the business case. A further update will follow shortly
