Subject: kebab van

We, the residents of 1,1a,&1b Gold St. Hanslope, would like to oppose the renewing of the license for the kebab van next to our properties.

The reasons for the objections are 1. The noise and lights from traffic using the van late at night.

2. The litter left for us to clear up.

3. Safety for other road users on the junction.

4. The noise and fumes from the generator for the lights in

the van.

Yours,

Mr. & Mrs. Graham

Mr. & Mrs. Eastwood
