Dear Sir or Madam

Re your letters dated 5th + 17th
January 2012 regarding Licensing
Act 2003 - Newport Pagnell Royal
British Legion, Ousebank Street,
Newport Pagnell. MK16 8AP.

I live at No 10 Ousebank Street
and in the 1 1/2 years I have
lived here I have had no problems
whatsoever from the above.

Either their usual weekly nights
or music night or any very popular
outside events ie parklife + bank
holiday events.

Having been there myself on a
Saturday where a market
social gathering is on.

+ being a smoker using the rear of the premises as I cannot smoke inside. I have never heard excessive noise taken out there either from other smokers or from inside the premises.

This is a very popular place to meet + enjoy the very talented artists.

I hope this assists you in your decision.

Yours sincerely
Carolyn Roberts
