BR52 SCRUTINY OF MILTON KEYNES COUNCIL'S DRAFT BUDGET PROPOSALS FOR 2018/19 – REPORT WRITING

The Committee considered the submission which the Residents of Regeneration Estates (RoRE) had made at the previous meeting (15 January 2019) in support of the Scrutiny Management Committee's request for additional resources to support scrutiny of the Council's Regeneration Programme. The Committee agreed that the proposal from the Scrutiny Management Committee for an additional Regeneration Committee and resources to manage it effectively should be supported and a recommendation to this effect be included in its report on its work during December 2018 and January 2019.

The Committee then reviewed the initial draft report prepared by the Overview and Scrutiny Officer which had been circulated to the Committee prior to the meeting, section by section, making amendments and additional recommendations where appropriate. The Overview and Scrutiny Officer would circulate the amended report to the Committee for further comment / refinement in order to produce a final version for presentation to Cabinet on 5 February 2019.

RESOLVED –

1. That the Committee supported both the Scrutiny Management Committee and the Residents' of Regeneration Estates group proposal for the establishment of a dedicated committee to scrutinise the Council's Regeneration Programme and the necessary resources to support this work.
2. That the Committee's report on its work during December 2018 and January 2019 to scrutinise the Council's draft 2019/20 budget proposals, which includes its recommendations in relation to those proposals, be presented to Cabinet on 5 February 2019.

THE CHAIR CLOSED THE MEETING AT 8:50 PM
