RC12 UPDATE ON AMENDMENT TO STREET TRADING RESTRICTIONS IN CENTRAL MILTON KEYNES (STATION SQUARE)

The Committee considered an update on the possible amendments to Street Trading restrictions in Central Milton Keynes (Station Square).

The Committee noted that at its meeting held on 11 March 2020 (Minute RC21 refers), it had had requested officers to undertake a statutory consultation to allow street trading with permission within Station Square outside of the railway station, which was currently a prohibited area for street trading.

It was noted that the consultation had taken place during March and April 2020. However, during that time, the applicant, Milton Keynes Development Partnership, had decided to not take its wider proposals forward for the location.

RESOLVED -

That the report be noted.
