Hello

Please note that the email below contains confirmation for a condition to be attached to the licence in respect of the variation application for the Coachmakers Arms.

I would like to thank Barry Richards for his time in relation to this matter.

Kind regards

Sarah Ryder
Police Licensing Officer

Sarah,

I can confirm our client has stated they are willing to accept the proposed condition raised in the representation from the Police in respect of the above application.

Specifically they agree to "Where practicable toughened glass will be used for the service of both alcoholic & non alcoholic beverages".

I would be grateful if you could please advise this satisfies the representation.

Kind regards

Barry Richards
