## AGENDA

Item No:

**1. Apologies**

**2. Declarations of Interest**

Members and officers to declare any personal or prejudicial interests they may have in the business to be transacted.

**3. Call-in - Decision: Local Plan Inquiry: Consideration of Recommendations in the Inspector's Part 1 Report**

The Committee will note that at its meeting held on 19 October 2004, the Cabinet considered a report on the above, which is set out at Item 3 (**Pages 4 to 61**).

The decision of the Cabinet, which is set out below, has been called-in by Councillor Long, in so far as it relates to western expansion areas 10.4 and 11.

Following consideration of the report, the Cabinet resolved:

- “1. That the recommendations in Part 1 of the Inspector's Report be accepted, with the following exceptions:
  - (a) the deletion of the Areas of Attractive Landscape (Recommendations 20.7 and 3.11); and
  - (b) the deletion of the performance indicator relating to wildlife (Recommendation 2.3 - point 1).
2. That the following recommendations be partially accepted:
  - (a) the allocation of the Strategic Reserve in the Eastern Expansion Area, but retain part of the site as a Strategic Reserve, as per Pre Inquiry Change 13 (Recommendation 20.10);
  - (b) the revision of the text relating to the measurement of accessibility to bus services in the Targets and Indicators section of the Vision and Aims chapter, but not the exact wording recommended by the Inspector (Recommendation 2.2.1); and
  - (c) the amendment of the boundary of the Extended Linear Park south of Caldecotte, in the vicinity of Eaton Leys, but retain the Scheduled Ancient Monument within the Linear Park (Recommendation 3.12 - point 2).
3. That the reasons for these decisions as set out in Annexes B and C of the report be agreed.

4. That, in light of the Inspector's comments with regard to the long term boundary of Milton Keynes, and the recommendations of the RPG Panel, the Council considers that the Shenley Ridge and the M1 represent clearly identifiable and defensible longer term boundaries to the City, but accept that this position would be subject to review in the light of the outcome of the 30 year growth study recommended by the RPG Panel."

The Panel is asked to consider the item received by the Cabinet and the reasons for the call-in, in accordance with the Council's Constitution, and either:

- (a) refer the item back to the Cabinet, setting out the nature of the Panel's concerns;
- (b) not refer the item back to the Cabinet and the decision to take effect from the conclusion of the meeting; or
- (c) refer its views directly to the Council, which will be considering the Cabinet's recommendations at its meeting on 14 December 2004.
