Hi Kieran

Due to the error in this application regarding the trading location I confirm that in the interim I will be speaking against this application however, I would like to reserve the right to withdraw subject to my discussions later today with residents and the Hanslope Parish Councillors who's monthly meeting is taking place this evening. I will be in contact with you first thing tomorrow morning

Kind regards

Dear Cllr Green,

I can confirm that the trading location plan sent out at consultation was incorrect, please accept our apologies. I have attached the plan with the correct trading location, which is where the trader has historically operated from, I have also attached an image of the van from Google street view for reference. The consultation for the renewal application finishes the end of today, I await your representation.

Best wishes,

Kieran
