UPDATE ON AMENDMENT TO STREET TRADING RESTRICTIONS IN CENTRAL MILTON KEYNES (STATION SQUARE)

Report author	Ed Fisher Licensing and Business 01908 252409

Exempt / confidential / not for publication	No

1. Purpose

1.1 To provide an update from the Committee that was held on 11 March 2020 (Minute RC21 refers) in respect of a statutory consultation to allow street trading with permission within Station Square outside of the railway station (the area currently being prohibited for street trading).

2. Outcome

2.1 The required consultation was undertaken during March and April 2020 with a view to report back to the Committee at its next meeting (October 2020). However, during that time the landowner 'applicant' seeking the change - Milton Keynes Development Partnership - decided to not take their wider proposals forward for the location. As a result, there is no longer an active request to amend street trading restrictions at this location.

2.2 If a new request is made the matter will be brought back to the Committee to consider afresh with a view to undertaking an up to date consultation exercise.
