

Waste Consultation

Strategic Placemaking
14 October 2020

Consultation and Engagement Timing

Consultation

Objectives

- To confirm that residents in Milton Keynes want wheeled bins.
- To consider the preferred options for special kerbside properties.
- To understand if residents wish to increase recycling rates

Consultation Areas

- Managing waste locally
- Household Waste Recycling Centres
- Recycling participation
- Wheeled bins

Consultation Methods

- Video with subtitles explaining the consultation and how people can respond.
- Audio clip to assist people with visual impairment who may not be able to access the video.
- Communicating directly with resident and community groups.
- Working with ward councillors and parishes to help share information.
- Making hard copies of the consultation available with Freepost.
- Website, media release and regular social media reminders.
- Direct contact with chairs and representative groups for people who are older or have disabilities to ensure that all voices are heard.

Thank you
