Good morning Ed,

Thanks for clarifying this. Now that regulated entertainment has been removed from the application I'm happy to withdraw my representation.

Dear Matt and Gemma

Further to our differing but allied correspondence on this matter the applicant has now withdrawn Regulated Entertainment from his application in its entirety.

No change to hours, just no entertainment now (other than the up to 11pm exemption of course – which he doesn't intend to use)

Subject: New Premise Licence Club 124 LTD, 140 Queensway, Bletchley, MK2 2RS, Reference 159218

Good afternoon Ed,

I would like to make a representation to this application on behalf of Environmental Health regarding noise.

The area at the rear of the premises is residential and there are also several units on Queensway with flats at first floor level. The applicant has request both live and recorded music to 00:30 Sunday to Thursday and 03:30 on Fridays and Saturdays. I am concerned about the potential for public nuisance from music noise, and that the structure of the building may not be appropriate to prevent noise breakout. The information in the application is not sufficient to allay my concerns.

I would be happy to meet with the applicant to try to resolve this representation.

Regards
