Comments, Complaints and Compliments

Milton Keynes Council welcomes comments, complaints and compliments from members of the public in order to make its services as efficient and effective as possible. We would appreciate any suggestions regarding the usefulness of the paperwork for this meeting, or the conduct of the meeting you have attended.

Using Zoom

You will need a camera connected to your device (phone, tablet, PC or you can have audio only.) There will only be one link for this meeting. Please click the link a couple of minutes before the time we are due to start.

GROUND RULES

- Please consider how quiet the room is where you are making a call
- Please think about if you are happy for people to see you in your room. There is a way to have a different background but not all software supports this. You might want to do it in front of a plain wall or door. Please take care not to have any visible 'confidential papers' that other attendees may be able to see in your room.
- If you cannot make a video call you can be on audio only. Just change the settings when you come into the group chat.
- We must remember this is new to everyone - please bear with us and each other if things don't quite happen as we would like them to!!
- No photos/filming of any kind to be taken of the call.
- We may use the record function to aide note taking.

How we need to work

- At the beginning of the meeting, everyone will be unmuted so we can say our 'hello's etc'. After that, everyone will need to be muted; you will be able to unmute yourself when the chair invites you to talk / you request to talk.
- In the chat you will need to say if you want to speak in the chat. Please use the Thumbs Up icon if you want to say something.
- We need to make sure that only one person is speaking at a time.

As always, if you are not able to attend the meeting, please send your apologies to Heather beforehand.
