

Partnership agreement

The relationship between the SaferMK Board and the Milton Keynes Health and Wellbeing Board

Both partnerships will:

Have an ongoing and direct relationship, communicating regularly

Work together to ensure action taken by one body does not duplicate that taken by the other

Ensure they are committed to working together to ensure there is strategic and operational coherence across policies, protocols, services and practice

This will be achieved by:

The Chief Officer of the Milton Keynes Clinical Commissioning Group and the Corporate Director for Community Wellbeing sitting on both the Safer MK Board and the Health and Wellbeing Board.

Regular liaison between Chairs and support team members.

The Safer MK Partnership has been a statutory partnership since 1998. It provides a mechanism through which local agencies work together to ensure that, Milton Keynes is a safe place to live, and work in, and to visit. Alongside reducing crime and other community safety issues there is a significant contribution to the quality of life enjoyed by the citizens of Milton Keynes.

All members of the partnership share a commitment to continuous improvement and working together to maximise the potential of each partner to realise the vision of better services, better connected delivering better outcomes.

The Health and Wellbeing Board is a statutory partnership which is responsible for ensuring an integrated and coordinated approach across the NHS, social and public health services. The purpose is to develop and oversee the implementation of the Joint Health and Wellbeing Strategy.
