

**MILTON KEYNES COUNCIL
NEWPORT PAGNELL NEIGHBOURHOOD PLAN REVIEW**

Decision Statement – 16 JUNE 2021

Summary

Milton Keynes Council will make the Newport Pagnell Neighbourhood Plan Review part of the Milton Keynes Council Development Plan on 16th June 2021.

Background

Newport Pagnell Town Council, as the qualifying body, successfully applied for its area to be designated a Neighbourhood Area, under the Neighbourhood Planning (General) Regulations 2012. The area was designated on 22nd October 2013.

The current Newport Pagnell Neighbourhood Plan was made by the Milton Keynes Council on 8th June 2016.

The Newport Pagnell Neighbourhood Plan Review was submitted to the Milton Keynes Council for examination in January 2021 and was subsequently publicised for a six-week period, ending on 5th March 2021. All comments received were then passed to the Independent Examiner, Andrew Ashcroft, who submitted his report on the Plan on 5th May 2021, stating that the plan met relevant basic conditions and requirements, subject to modifications.

Modification of existing neighbourhood plans is governed by Schedule A2 of the Planning and Compulsory Purchase Act 2004 (PCPA). Where it is considered that the modifications contained in the draft plan would not be so significant or substantial as to change the nature of a plan, a referendum is not required. The examiner stated that the modifications to the draft plan would not change the nature of the plan and that the plan should be made with the modifications specified in his report.

Paragraph 14 (3) of Schedule A2 of the PCPA states that *“if the examiner's report recommends that the authority should make the draft plan with the modifications specified in the report, the authority must make the draft plan with those modifications.”* The Council must accept the independent examiner's recommendations, except where there are concerns in relation to breach of any retained EU obligation or Convention rights, or to correct errors. That is not the case here.

This Decision Statement confirms that the modifications proposed by the examiner's report have been accepted (see Table 1). Accordingly, the draft Newport Pagnell Neighbourhood Plan Review has been amended taking into account these modifications.

Decision

The Council makes the Newport Pagnell Neighbourhood Plan Review part of the Milton Keynes Council Development Plan, replacing the current 'made' plan. In doing so, the Council is of the opinion that the Newport Pagnell Neighbourhood Plan Review is compatible with all relevant retained European Union obligations and Convention rights, as incorporated into UK law, and is legally compliant.
