**Subject:** RE: New Premises Licence - Bodrum Kebab and Pizza House, 37 High Street, Woburn Sands ref 141950

I refer to the Application by Mr Ali Etker of 37 High Street, Woburn Sands, for a Premises Licence in respect of Bodrum Kebab and Pizza House.

The Application is solely to provide for Late Night Refreshment from 23:00 to 24:00 hours Monday to Saturday.

The Application considers the promotion of the licensing objectives. The prevention of Public Nuisance is said to be by having a bin inside the shop and instructing customers to be quiet.

I would also invite the applicant to include the following condition.

*At the close of trading every day, the premise licence holder, or his representative shall ensure all litter is removed from the vicinity of the business location. All litter and waste, including oil and grease products, must be suitably disposed of.*
