19 November 2012

Ref: letter from David Sawford

Dear Katy.

PLANNING APPLICATION: 12/01530/FUL

The Parish Council are concerned that the plan showing the 'existing agricultural track' is misleading and would like to stress that the 'existing agricultural' track shown on the plan is inaccurate as the track has no legal status. It is not shown on any Land Registry documentation and should be disregarded.

I understand that this plan was produced to aid panel members and to show the location of the 'agricultural' track which has been refused planning permission for access to the site (12/01531/FUL) . The access for The Hovel is through the main double gates adjacent to 9 Cross Lane.

Yours sincerely,

Gillian Nicol

Winners of the Best Kept Village Competition

Gurney Cup 2005, Tindall Cup 2006, Gurney Cup 2008, Tindall Cup 2009

Chairman of the Council: Mr J Covington, The Old Post Office, Weston Underwood, MK46 5JS

I am writing as a resident of Calverton to say that I am in favour of the gravel extraction time extension proposal detailed in Item 3 of the Development Control meeting on the 29th November.

The idea that we import similar materials from farther afield to use in building our own housing and employment facilities fails on any number of obvious arguments. Cost, pollution, road miles, carbon footprint, to name a few.

I hope this can be forwarded to the appropriate councillors and officers. I would send it to the myself if I knew them.

Thanks and best wishes,

Crad Allerton
