

concerns arising I hand delivered a further warning letter on April 29th that there was no permission to trade in place. See document no 8.

On April 27th there was an enforcement visit and no trading was witnessed although the van and trader were on site. There was a discussion between the trader and enforcement officer concerned which resulted in the Officer notifying the Police and the trader being classed as aggressive. There are now no longer visits to the trader alone by officers.

On April 28th an enforcement visit noted there was no trading but the van was in place.

On April 29th an enforcement visit noted there was no trading although the van was in place as was a BBQ.

On May 6th a letter was sent to the trader regarding his attitude arising from April 27th. See attached document no 9.

On Saturday May 9th I witnessed street trading taking place by Shenley Kebabs between 17.50 and 18.50. On May 16th further street trading was witnessed between 17.35 and 18.05. Photographs are provided to confirm this as part of document no 10.

On the May 16th visit the trader was approached. They volunteered to close but I recognised the individual serving customers to be someone who I do not believe has a criminal record certificate. Shenley Kebabs have been asked to obtain one for this gentleman previously as someone who works at their second location in Central Milton Keynes. See document 11. Council policy is that customer facing staff all require a basic criminal record check. Such a check costs £23. This was the same man warned on April 22nd that there was no trading permission in place.

On May 18th an enforcement visit identified no trading.

On June 6th an enforcement visit identified no trading although the van was in place

In summary, this trader has a history of trading when there is no consent in place having been told they have no permission to trade. As an established trader they will be familiar with the rules and the system but struggle to comply.

Date: 08/08/13

Mr Dogan,

**Local Government (Miscellaneous Provisions) Act 1982
Shenley Kebab, Roebuck Way, Knowlhill**

On the 27/07/13 I witnessed that the above mobile food vehicle was trading within 60 metres of Watling Street V4, a Prohibited street under the Local Government (Miscellaneous Provisions) Act 1982.

No trading is permitted on prohibited streets or within 60 metres of them, under no circumstances is trading permitted in this location (specifically in this case, the grass verge off Roebuck Way opposite Watling Street.)

I remind you that you have been previously found to be trading in this illegal location and have been formally warned on several occasions (case references 365069 and 460527). The trading location will be monitored to establish whether further offences are being committed, if further illegal trading is witnessed then enforcement action will be taken against you.

Although the breach was witnessed at 20:00 hours, this will have an impact on your Licensing Act 2003 Premises Licence for post 23:00 hours trading.

Please be advised that trading in a location not situated in compliance with the location specified on the plan of the premises licence, (plan reference MK089131/01/200606/B) is operating otherwise than in accordance of a plan of the premises licence can lead to a **penalty of a £20,000 fine and / or up to 6 months imprisonment.**

Furthermore the Licensing Authority can apply to review your premises licence, in which case the premise licence could be revoked and licensable activities will no longer be authorised (i.e. late night refreshment). Other options available include imposing additional conditions on the licence and modifying the terms of the licence.

Yours sincerely,

**Kieran Evans
Enforcement Officer

Helpline: 01908 252398

Date: 23rd July 2014

Mr Dogan,

**Local Government (Miscellaneous Provisions) Act 1982
Shenley Kebab, Roebuck Way, Knowlhill, Milton Keynes**

On the 11th July 2014, I witnessed that the above mobile food vehicle was operating within 60 metres of Watling Street V4, a Prohibited street under the Local Government (Miscellaneous Provisions) Act 1982; despite discussing with you prior to this that no special dispensation is given to enable trading in this location during events at the National Bowl.

No trading is permitted on prohibited streets or within 60 metres of them, under no circumstances is trading permitted in this location (specifically in this case, the grass verge off Roebuck Way opposite Watling Street.)

On several previous occasions you have been found to be trading in this illegal location and have been formally warned (references 365069, 417328, 460527 and 482179).

During the visit on the 11th July 2014, you had agreed to move the food mobile outside of the 60 metre boundary, however, you refused to place the food mobile in the authorised trading location of the Street Trading Consent issued to you, and instead, despite warning, you chose to situate the food mobile directly opposite the junction of the premises known as 360 Play. Although this is over 60 metres away from the prohibited boundary of Watling Street V4, this is not in accordance with the location specified on the consent authorisation and is dangerous; causing highway obstruction. Because of this, at the time of visit I witnessed vehicles struggling to negotiate around your food mobile, which could lead to a potential road traffic accident.

By not adhering to the current Street Trading Consent authorisation, (not trading at the attached location for 16:00 to 00:30 only), the consent authorisation to trade on Roebuck Way may be brought to the Regulatory Subcommittee to determine any future trading.

Although the illegal trading location was witnessed at 16:00 hours, this could have had an impact on the Licensing Act 2003 Premises Licence issued to you for post 23:00 hours trading. Since, under the Act, trading in a location not situated in accordance with the location specified on the plan of the premises licence, (plan reference MK089131/01/200606/B) is an offence and can lead to a **penalty of a £20,000 fine and / or up to 6 months Imprisonment.**

The Licensing Authority can also apply to review your premises licence if the licensing objectives are not being adequately promoted, namely Prevention of Crime & Disorder and Public Safety. In which case the premise licence could be revoked and licensable activities will no longer be authorised (i.e.

late night refreshment). Other options available include imposing additional conditions on the licence and modifying the terms of the licence.

A copy of this letter will be kept on your Premises Licence and Street Trading Consent files for future reference and may be referred to at any time.

If you require any further information, please do not hesitate to contact me.

Yours sincerely,

Kieran Evans

REGULATORY SUB-COMMITTEE HEARING

Members' Record of Determination

**Shenley Kebabs, Roebuck Way, Knowlhill
Street Trading Consent Renewal Application**

Reason for Hearing

This is a renewal application for a Street Trading Consent by the Applicant for a street trading consent for nine and a half hours a day, 7 days a week between 16:00 and 00.30 on Roebuck Way, Knowlhill.

During the public consultation, representations were received from Madison, a business on Roebuck Way, the Parish Council (Loughton and Great Holm) an Environmental Health officer and the Highways Officer, as well as comments from some Ward Councillors. The Sub Committee also received an email from Cllr Williams of Shenley brook End and Tattenhoe Parish Council supporting the renewal but on a probationary basis, which they had due regard to

The issue raised included the fact that the Applicant tended to trade with the serving hatch out on the road, putting customers in the Highway, litter, waste being left in the bushes, use of chairs and tables outside of the van, and patrons using the bushes nearby as a toilet.

The current consent carries additional conditions:

- Tables and chairs shall not to be setup by the trader or customers of the food mobile at the trading location.
- Tables and chairs, plus BBQ trays or any other cooking paraphernalia shall not to be kept in bushes or in the area nearby to prevent use.
- A concurrent and valid waste contract shall be in place to ensure waste is adequately controlled and removed including

| | |
|------------|-----------------|
| Signature: | |
| Chairman: | Councillor Legg |
| Date: | 21 October 2019 |

oil. The contractual arrangements of which shall be provided to the Licensing Authority on request.

- Prevent and clear any cigarette butts on green adjacent to food mobile.
- A litter check and pick shall be conducting in the immediate vicinity after trade finishes.
- The trading area shall be left in a clean and tidy condition.
- Sufficient bins to be available for customers.

The litter pick shall be conducted to ensure a 30-metre litter-free zone around the foodmobile.

- The serving hatch shall face the pavement whilst the food mobile is trading.

During an inspection carried out by a Licensing Officer on the 3 October 2019, a number of breaches of the conditions were observed. Table and chairs were present; the van was facing into the road and not the pavement and in addition general conditions requiring the display of the consent and all staff having passed a DBS check were not being observed.

The Applicant's licence expired on the 30 September 2019, and they have applied for renewal, however, due to concerns the matter had been referred to committee.

The objectors in attendance Councillor Marlow, Ward Councillor and Parish Councillor A Sargent, spoke regarding the safety aspect of the hatch and also the waste in the bushes near where the food mobile is located. The Parish Councillor A Sargent also stated that they were concerned about the large number of lorries using the food mobile and then staying overnight. They also had commented that the position of the food mobile was no longer appropriate and that the hours should be shortened.

The Applicant's representative recognised that the applicant had been poor at complying with conditions but stated that he would improve. It was stated that the reason that the food mobile was turned to face the road was due to there not being sufficient lighting when facing the pavement, which meant the applicant could not see customers properly and was therefore unsafe. However it was commented that the applicant would be improving the lights on the food mobile so that he could trade in line with his conditions, with the hatch facing the pavement. The pictures that had been taken of the waste were discussed and it was agreed that the Applicant did not have any

| | |
|------------|---|
| Signature: |  |
| Chairman: | Councillor Legg |
| Date: | 21 October 2019 |

barbequing facilities in the food mobile and therefore the coals were unlikely to be his. Although it was conceded that the oil had been left there by him, but to be picked up and disposed of through the waste contract that he held.

1. Decision

The Sub-Committee considered the representations from both sides and the Street Trading Policy. They commented that they wanted the Applicant to appreciate that they had grave concerns over his previous behaviour. The trading hatch in particular is a serious risk to customers safety and must stop immediately. The hatch must be positioned with the food mobile turned towards the pavement in compliance with the consent conditions.

The consent should be renewed but only for a period of 6 months active from the 1 October 2019. This will act as a probationary period enabling the Applicant to be brought back before the Committee, if further objections are received, than would normally be the case. So that the committee can be satisfied that compliance with relevant conditions is being achieved. This is due to the previous failure by the applicant to attain compliance.

The Committee were pleased that the Applicant was committed to complying with the conditions in full and would encourage him to do so. They would also encourage Licensing to take any further non-compliance very seriously and bring any issues back to Committee as a matter of urgency.

The current conditions are to be continued on to the renewed consent and an additional condition added to state that the Applicant would ensure adequate lighting is provided to ensure the safety and security both of himself, his staff and his customers. 'Adequate' is to be agreed with the licensing officers.

2. Reasons

The Sub Committee felt that this was the last chance for the Applicant. They wanted to give him another chance to trade safely and lawfully, however were clear that any further breaches would be considered quickly and would be considered as very serious by the Committee considering them, given the extent of non-compliance outlined to the Committee.

MK6 2LH

7 January 2020

Dear Mr Dogan

**Local Government (Miscellaneous Provisions) Act 1982
Street Trading Consent - Renewal**

**Re: Shenley Kebabs, Trading at Roebuck Way, Knowlhill,
Expires: 31/03/2020**

I am writing to remind you that your Street Trading Consent Permit under the above Act is due to expire shortly and to enable you to renew it, I enclose the relevant application form for completion.

It is noted that in 2018 and 2019 you did not apply to renew your street trading consent prior to expiring. You were issued a final warning via letter dated 7 November 2019, that any future failures to not renew prior to the consent permit expiring will not be tolerated, no extensions will be given and enforcement action may be taken against you. Therefore, you must ensure that you apply to renew before the 31 March 2020.

The fee structure is now payable in two phases, the initial application fee and when the consultation finishes; a separate fee is then due to grant the Street Trading Consent Permit. The fee table is overleaf.

Please return the application form with the **initial application fee of £570**, then if your application is ready to be granted **following the consultation, the grant fee of £238** is then payable to authorise **8½ hours trading**.

Please note the initial application fee will need to be paid at the time of submitting the application unless you are paying by credit / debit card in which case we shall contact you on the telephone number provided once the application has been validated. Payment can also be made by cheque accompanying the application (made payable to Milton Keynes Council).

If you have already provided a DBS certificate for yourself and or any customer serving staff, a further check is not required until a period of 3 years has passed from when the last DBS certificate was provided. However, the Disclosure of Convictions and Declaration form still needs to be completed yearly by the consent holder and any customer serving staff. If you require further declaration forms, they are obtainable from:

<https://www.milton-keynes.gov.uk/environmental-health-and-trading-standards/licensing/food/milton-keynes-council-street-trading>

Please be aware that no further reminders will be sent and upon the above expiry date your authorisation to trade will cease to be valid.

If you then apply after the expiry date, you will only be administered as a new applicant. If your application is successful, you shall then be restricted for up to 3 hours of trading time as the requirements stated in the Street Trading Policy.

Please return the completed application, declaration form and documents to the address provided below. If you have any queries regarding your application please do not hesitate to contact this office.

Fee Table:

| Application | Initial Fee | Grant Fee | Total |
|--|--------------------|--------------------|---------------------------------|
| New / Renewal - 1 hour trading per day | £570.00 | £28.00 | £598.00 |
| New / Renewal - 2 hours trading per day | £570.00 | £56.00 | £626.00 |
| New / Renewal - 3 hours trading per day | £570.00 | £84.00 | £654.00 |
| New / Renewal - 4 hours trading per day | £570.00 | £112.00 | £682.00 |
| New / Renewal - 5 hours trading per day | £570.00 | £140.00 | £710.00 |
| New / Renewal - 6 hours trading per day | £570.00 | £168.00 | £738.00 |
| New / Renewal - 7 hours trading per day | £570.00 | £196.00 | £766.00 |
| New / Renewal - 8 hours trading per day | £570.00 | £224.00 | £794.00 |
| New / Renewal - 9 hours trading per day | £570.00 | £252.00 | £822.00 |
| New / Renewal - 10 hours trading per day | £570.00 | £280.00 | £850.00 |
| Variation | £290.00 | £28 per extra hour | £290.00 + £28 per extra hour |
| Transfer trader | £146.00 | n/a | £146.00 |
| Transfer Vehicle | £100 | n/a | £100.00 |

9 April 2020

Mr Dogan,

Local Government (Miscellaneous Provisions) Act 1982 - Street Trading Consent
Re: Shenley Kebabs, Trading at Roebuck Way, Knowlhill
Consent Permit Expired: 31/03/2020

You have not applied to renew the above street trading consent permit prior to the expiry date, therefore, street trading at the above location is no longer authorised. If you have had difficulty in paying the consent due to the effect of Covid-19, please contact us within 7 days from the date of this letter.

Any unauthorised street trading at the above location constitutes as an offence, please ensure that trade does not continue, otherwise enforcement action may be taken against you.

If you wish to apply for a new street trading consent permit for the area, an application form is enclosed for this purpose. New street trading consent applicants are limited to 3 hours only. There is a 28 day consultation for a new application, if you choose to re-apply, trade must not occur in this area until the new permit may be granted.

A copy of this letter will be kept on file and may be referred to at any time. If you do not understand the contents of this letter, please do not hesitate to contact me on the details provided above.

Yours sincerely,

Licensing

23 April 2020

Mr Dogan,

Local Government (Miscellaneous Provisions) Act 1982 - Street Trading Consent
Re: Shenley Kebabs
Unauthorised Street Trading at Roebuck Way, Knowlhill, Milton Keynes

As you had not responded to the deadline stated in letter dated 9 April 2020, regarding your expired street trading consent permit, I visited the above location on the 22 April 2020 and found that you are still operating the food mobile.

I advised you during the visit, that you did not apply to renew the street trading consent permit, prior to the deadline and therefore, **street trading at the above location is not authorised and any street trading constitutes as a prosecutable offence.**

Further visits shall be made by officers to gather evidence in view of taking enforcement action against you.

A copy of this letter will be kept on file and may be referred to at any time. If you do not understand the contents of this letter, you can contact me on the details provided above.

Regards,

Kieran Evans

29 April 2020

Dear Timur,

Street Trading Consent
Shenley Kebabs, Roebuck Way, Knowlhill

As discussed earlier today, I confirm what is missing from your application:

- Copy of public liability insurance
- DBS check (no more than three months old – instructions to obtain this is located on last page of application). Any staff working at your van must also have DBS.
- Plan of trading location (to assist I include a plan of your previous location)
- Photos of the trading van
- Hours you wish to trade – you confirmed over the phone 5pm to 8pm
- The application fee £587.10 – you can pay over the phone or via a cheque.

I have returned your application to you. You must send all the documents to me and pay the fee before I process the application.

As a new application you **cannot trade until the application is granted**. The application will be consulted on and this consultation period will last at least 28 days. If you trade before the application is granted, you will be committing an offence.

Yours sincerely,

James Sloan
Licensing Officer

4 May 2020

Dear Mr Timor Dogan,

Re : 27 April 2020 Abusive behaviour towards Licensing Officer, Kieran Evans

As manager of the Licensing service I am writing to you concerning your unacceptable behaviour, when you were visited at Roebuck Way, Knowlhill by licensing officer Kieran Evans at around 5pm on the 27 April 2020.

The verbal report and subsequent statement made by Kieran, describes how you acted in an aggressive and intimidating way during his visit.

Kieran confirms you were not trading at the time, as the mobile hatch was not open, but you stated you were preparing a BBQ for friends at the side of the road. Due to the requirement for social distancing at this time, it would appear to be a strange arrangement to make with friends.

It is reported that you began to shout and swear at Kieran and claimed that he had a grudge against you, as did Madisson, one of the local businesses, which is located adjacent to where you previously traded. During the visit, you got closer to Kieran than the required 2 metres, which we have been advised should be maintained at this time, to help reduce the spread of the COVID-19 virus.

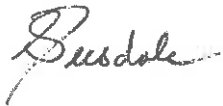

Due to your intimidating actions, Kieran had to leave the area quickly to get away from you, as he felt in danger. He got into his car and left the area. You apparently walked up to his car and continued to harass Kieran verbally.

Your behaviour on this occasion was obviously unacceptable. It is an offence to intimidate and be abusive towards a council officer while working and we have recorded your name as person who may be a risk to council officers.

We may use this incident in the future, as evidence, that we believe you are not a fit person to hold a permit to be a street trader in the borough of Milton Keynes.

I write to you to inform you of our opinion of your behaviour, what actions we have taken and may take in the future. Also to inform you that Kieran has no grudge against you and was just undertaking his normal duties as required and expected of a Licensing Officer.

Yours Sincerely

A handwritten signature in cursive script that reads "Teesdale".

Mr Dogan
14 Polruan Place
Fishermead
Milton Keynes MK6 2LH

26 February 2020

Dear Mr Dogan

**Street trading Compliance inspection: Xscape, Central Milton Keynes
Shenley Kebabs , 14 Polruan Place, Fishermead , Milton Keynes, MK6 2LH**

A routine inspection of compliance with the street trading consent granted to you by the Council under the Local Government (Miscellaneous Provisions) Act 182 was carried out on February 22nd by me an authorised officer of Milton Keynes Council.

The level of compliance found is one of the factors used to enable the Council to compile a risk register to determine the frequency of further inspections. Compliant traders are visited less frequently than those that are not. Significant levels of non-compliance with consent may however result in a street trading consent being revoked.

When I visited, Mr Mustafa Cimea was working in the trailer but according to our records we have never had a criminal record check for him. Because he is serving customers our policy requires that he provides a basic criminal record check to us every three years. This is the same as the one that you have done previously. If you need to know how to obtain one let me know. Please arrange for this check to be done and his certificate to be provided within 28 days.

Please also ensure he completes the attached form and returns it.

Yours sincerely

A handwritten signature in black ink, appearing to read 'E. Fisher'.
