### Public attendance / participation

All our meetings are open to the public to attend. Public health measures remain at Civic and the number of people who will be able to physically attend this meeting to observe proceedings, continues to be limited – please let us know in advance if you plan to attend.

We use our best efforts to stream meetings on YouTube. From time to time there are technical problems which could mean we are unable to stream the meeting. When this happens, our meetings will continue, and we will do our best to upload a recording of the meeting after it takes place. Meeting minutes form the formal record and are published after every meeting.

For those registering or entitled to speak, facilities will be in place to do so in person or via video / audio conferencing, but this is not guaranteed. From time to time there are technical problems which mean we are unable to enable remote participation. When this happens our meetings will continue, although we will try to provide alternatives options, for example through a telephone call as opposed to a video call.
