

# PETITION AGAINST THE APPLICATION FOR AN OFF LICENCE AT 7-9 ST JOHN STREET MK16 8HE

We the undersigned oppose the application as it will have an adverse effect on Crime and Disorder, Public Safety, Public nuisance and the Protection of children from harm in our neighbourhood.

- The application seeks to sell alcohol from 7am until midnight seven days a week. Selling so early and closing so late will attract undesirable customers to this neighbourhood such as street drinkers and beggars and they cause crime disorder and public nuisance such as urination in the street as can be seen in our town centre.
- Opening later than other premises that sell alcohol on the premises will attract people who have already consumed alcohol and encourage drunkenness and anti social behaviour in this quiet neighbourhood.
- Noise, nuisance and anti social behaviour are already effecting local residents and the addition of this outlet will only add to the cumulative adverse effect of alcohol led premises in our neighbourhood.
- Persons aged 18 can and do buy alcohol for their younger friends and this outlet will provide a further opportunity for under aged youngsters to obtain and consume alcohol and behave in an anti social manner and litter the streets with discarded packaging.
- Parking is difficult at the best of times and an outlet at this location will result in people parking inappropriately and illegally and as such cause unnecessary danger to pedestrians wishing to use the foot way.
