

OFFICER DELEGATION SCHEME FOR DEVELOPMENT MANAGEMENT MATTERS

PART A

Limitation on Delegated Authority

1. The scheme of delegation relating to planning applications and related matters shall be limited solely to the items set out in Part B.
2. No delegated decision shall be made where the development in the opinion of the delegated officer is likely to be of a controversial nature, taking into account such factors as the scale and nature of the proposed development, the history and sensitivity of the site and the likely level of public interest.
3. No delegated decision shall be made which is materially in conflict with any of the Council's approved planning policies.
4. No delegated decision on a planning application shall be made until a minimum of 28 days has expired from the date of registration of the application.
5. No delegated decision on a planning application shall be made if a written request or e-mail to the Head of Development Management is received within 28 days of notification giving notice of an objection from;
 - a. A Ward Councillor in respect of an application within their Ward.
 - b. A Ward Councillor where an application in an adjacent Ward will have an impact on their Ward.
 - c. Any Ward Councillor, where with the agreement of the Chair, it can be demonstrated that the environmental planning effect on the Borough is significant.
 - d. The Clerk or Secretary of a Parish or Town Council in respect of an application within their Parish.
 - e. The Clerk or Secretary of a Town or Parish Council where an application in an adjacent Parish will have an impact on their Parish.
 - f. In the case of a 'Minor' or 'Other' application or a Tree Preservation Order, 5 or more members of the public from different households.
 - g. In the case of a Major application 20 or more members of the public from different households.

In all cases an objection must form a material planning consideration and an explicit request must be made that the application be referred to the Development Control Committee/Panel for determination.

Where a request to refer an application to Committee or Panel has been received from a Parish or Town Council, an undertaking to attend the meeting to address the Committee/Panel must be given.

Failure to attend a Committee or Panel, following an undertaking to do so, on two occasions within a 6 month Period will result in;

- a. The Parish or Town Council being barred from requesting an application be referred to Committee or Panel for a 3 month period from the date of the second incidence; and,
 - b. Any applications within that parish being determined in accordance with the Officer recommendation under delegated powers. (The Chair of the Development Control Committee will retain discretion to waive the exclusion if satisfied exceptional circumstances justified the absence).
6. A party having requested that an application be referred to Committee or Panel on an objection based on the principles above, may withdraw the request for a referral to Committee or Panel if the scheme is amended to their satisfaction, or conditions agreed to address the issue, as long as notice of the withdrawal is received by the Head of Development Management prior to the publication of the agenda for the relevant meeting. In such cases, if no further objections triggering a referral to Committee/Panel exist, the application will be determined by Officer delegation in accordance with the Officer recommendation.
7. Planning applications submitted by or on behalf of the following shall be excluded from the delegation scheme and shall be determined by The Development Control Committee/Panel:
- Elected Members of the Council
 - Chief Executive/Corporate Director/Service Director/Head of Service
