This report is the latest update in 2017/18 on how the Council is progressing against the commitments outlined within the Delivery Plan.

1. Recommendation(s)

1.1 That the progress on the implementation of the Council Plan Delivery Plan be noted.

2. Issues

2.1 The Council Plan 2016–20 reflects the joint key priorities and policies agreed by the Labour and Liberal Democrat Groups, as set out in the Agreement to Work in Partnership (ref Background Papers). These priorities are based on the manifestos of the two parties. The Council Plan also recognises the principles and values of a co-operative council and how these connect to the Council's values, colleague competencies and appraisal mechanism.

2.2 The Delivery Plan is an integral aspect which sets out the detailed activities and milestones that will deliver the themes of the Council Plan from now until 2020.

2.3 The Delivery Plan contains three overall headline aims for Milton Keynes: to be a place of opportunity, an affordable place and a healthy place. To support these over-arching objectives, there are sixteen priority themes, each with a number of specific actions as outlined in the Delivery Plan.

2.4 This report provides a brief update on progress of these actions, with a narrative and self-reported Red, Amber, Green (RAG) rating on each to date – the detailed update is at the attached **Annex**.

2.5 This report also provides an opportunity to showcase innovative initiatives that are taking place as part of operational service delivery. A detailed narrative has been included.

2.6 Going forward these updates will, as well as the regular narrative, include Key Performance Indicators (KPIs) that show progress on the outcomes of the overall aims for Milton Keynes: a place of opportunity, an affordable place and a healthy place.
