The best outcome for and what is in the best interest of children at Walnuts Children home must be paramount in any change at the home. 2. The Council must demonstrate and provide reassurance that changing models/perceptions of care that might inform changes at Walnuts Children's home, are applicable to and appropriate for Milton Keynes. 3. The Council must ensure continued stability even in the event of change for the children at Walnuts Children's home. 4. Any closure of the Walnuts Children's home should not result in the affected children having to be housed/relocated outside of Milton Keynes. This will ensure that the children retain full local contact with the borough and with their family. 5. Children at Walnuts Children's home should be included in the Walnuts Children's home consultation. 6. There is a need for the Council to review provision of the type of services provided at Walnuts Children's home on a whole at the borough level. 7. The Council needs to establish and make clear its vision as to the type of care that it wants to provide in and for the borough. 8. The Council should take into account the needs of the families of children at Walnuts Children's home as relates to any changes at the home. 9. The Committee recommends that a further consultation should form part of a review of the provision of specialist special educational needs (SEN) residential home provision in Milton Keynes. The Consultation process itself, which should be reviewed and improved including the time period in which the current consultation is being conducted. 2. The Consultation makes no reference to alternative accommodation, and the fact that there is no equivalent alternate accommodation in Milton Keynes. Any future consultation must address this shortcoming. 3. Foster care or a family environment might not be a suitable option for the children at Walnuts Children's home, if the home is closed. <p>The Committee, in the near future would like to visit the Walnuts Children's home to see the service provisions. This visit will aid the Committee in any further future decisions regarding the home, and it is hoped that this will be facilitated by the Children and Families Service at the earliest opportunity.</p>	CYP Planning Group / Mac Heath (Acting Director- Children's Services, Milton Keynes Council)	Overview & Review Officer
