### MEMBERS' SUGGESTIONS FOR PERFORMANCE REVIEW WORK PROGRAMME TOPICS

|   |  |
|---|--|
| 1 | The Panel needs to find a way of looking at HBS performance.   |

| 3 | Raising the standard of literacy both at school and in the wider community - to determine how well we in MK are performing both from the local perspective and also in comparison to best practice (i.e. not the norm) elsewhere in the UK |
| 4 | Examination of JAR Inspection reservations about Children's Services   |
| 5 | Enforcement of retrospective planning permission refusal   |
