Suggest following additional condition:

An outside purpose built smoking area/shelter is permitted to be used exclusively for smokers after 23:00. No consumption of alcohol or other refreshments shall be allowed in any outside area after 23:00 hours. The DPS/ responsible person shall make outside patrols to ensue compliance with licensing conditions at intervals of not less than every 15 minutes after 23:00 hours.

Dear Claire,

Further to our telephone conversation we agree with the condition suggested by Ms. Runagall (Environmental Health Technical Officer) detailed in her e-mail of 21st December 2006.

Best regards,
Howard
