

Summary of Consultation Responses

Consultee	Response Received	Support	Object	Consultee's Comments	Consultant's Comments
Olney Town Council		√		No comment	No comment
Milton Keynes Council				No reply	
Councillor Brock				Prefers a permissive path to be investigated first to see if aims of all parties can achieve a quicker, easier, cheaper and less heavy-handed method.	This is not an option. Having been presented with evidence of user the Council is duty bound to assess the evidence and if necessary make an order.
Councillor Geary				No reply	
Milton Keynes Parks Trust				No reply

Environment Agency			No	Any works such as ground raising, footbridges, culverting or other works requires consent under Land Drainage Act 1991 and/or Water Resources Act 1991. Olney & Clifton Angling Association should be consulted.	These issues concern the management only, they are no evidence of status. Has been consulted.
