Hi Frank

Sorry I didn't get to you sooner.

As I said I am happy with the application in principle, I would like to suggest a slight re-wording of a couple of conditions.

#### CCTV

A CCTV system shall will be installed, maintained and operated at the premises. The CCTV system will show images to an evidentiary standard and will cover all areas available internally to the public (excluding toilets), as well as the entrances and exits and the external courtyard area. The system will record at all times that the premises is open to the public. All recordings will be retained for a minimum of 28 days with date and time stamping. Recordings shall be made available upon request of the Police, Licensing Authority or Local Authority to view or remove upon lawful request. Relevant staff are to be trained and able to use the system.

### Door supervisors

The designated premises supervisor will risk assess the necessity for door supervisors at the premises and will amend such risk assessments if advised to do so by Thames Valley Police.

### Staff training

All persons involved in alcohol sales must receive full and adequate training on the law relating to underage sales. A written record of the training that each person has received shall be maintained. Regular refresher training is also to be given and recorded. The training records / log are to be kept on site and shall be provided to the Police, the Local Authority or Licensing Authority on request.

### Challenge 25

An effective 'challenge 25 policy' shall be implemented and maintained in place at the premises. Any persons appearing to be under the age of 25 who attempts to purchase alcohol must be challenged in respect of their age and required to provide adequate proof that they are over the age of 18 before they are sold or supplied with alcohol. Only photographic based forms of identification shall be accepted as proof of age in respect of suspected underage sales. These must be accredited to the PASS scheme or subsequent equivalent but could also include passport, HM forces ID card, driving licence, national ID card.

### Drugs

The premises shall operate a zero tolerance policy in respect of illegal drug use.

The last one I have removed the reference to legal highs as they are now termed as psychoactive substances under the law, the use of which is now illegal.

If you let me know if your client is happy with the re-wording and I will put my response in to the Council's licensing team as applicable.

Kind regards
