1.0 Recommendation

1.1 That the public and press be excluded from the meeting by virtue of Paragraph 5 (Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings) of Part 1 of Schedule 12A of the Local Government Act 1972, in order that the meeting may consider the Item.

2.0 Reasons

2.1 A report will be presented to the Committee to provide an appraisal on the Environmental Statement (ES) provided in respect of a current planning appeal. The report will make a recommendation as to the intended response to be submitted to the planning inspector on behalf of the Council concerning the adequacy of the ES.

2.2 As the report is still subject to consideration by appointed Counsel in order to ensure consistency with evidence already provided as part of this appeal, the effect of publishing the intended response at this stage could prejudice the ability for effective examination of the evidence presented by both parties. It is therefore recommended that the matter be considered as a confidential item.
