

SUSTAINABLE TRANSPORT AND ROAD SAFETY FORUM

5 OCTOBER 2000

SUPPLEMENTARY AGENDA

1. Matters raised by Representatives

(a) Hanslope Parish Council: Hartwell Road/Higham Cross Road Junction

- (i) There are continuing road safety problem at this junction caused by combination of parked cars and excessive speeds by traffic using Hartwell Road.
- (ii) The site is a scene of regular vehicle collision causing property damage and minor human injury.
- (iii) The area has been subject to recent speed limit enforcement but is felt a lasting solution is required to provide better visibility at the crossing and traffic calming.
- (iv) Hanslope Parish Council requests Milton Keynes Traffic Department to examine the situation and offer possible solutions and an estimate of costs for their proposed solution.

It is recommended that this item be dealt with directly by officers, and referred to the Council's Transport Committee, as appropriate.
