

Report for Milton Keynes HASCC meeting

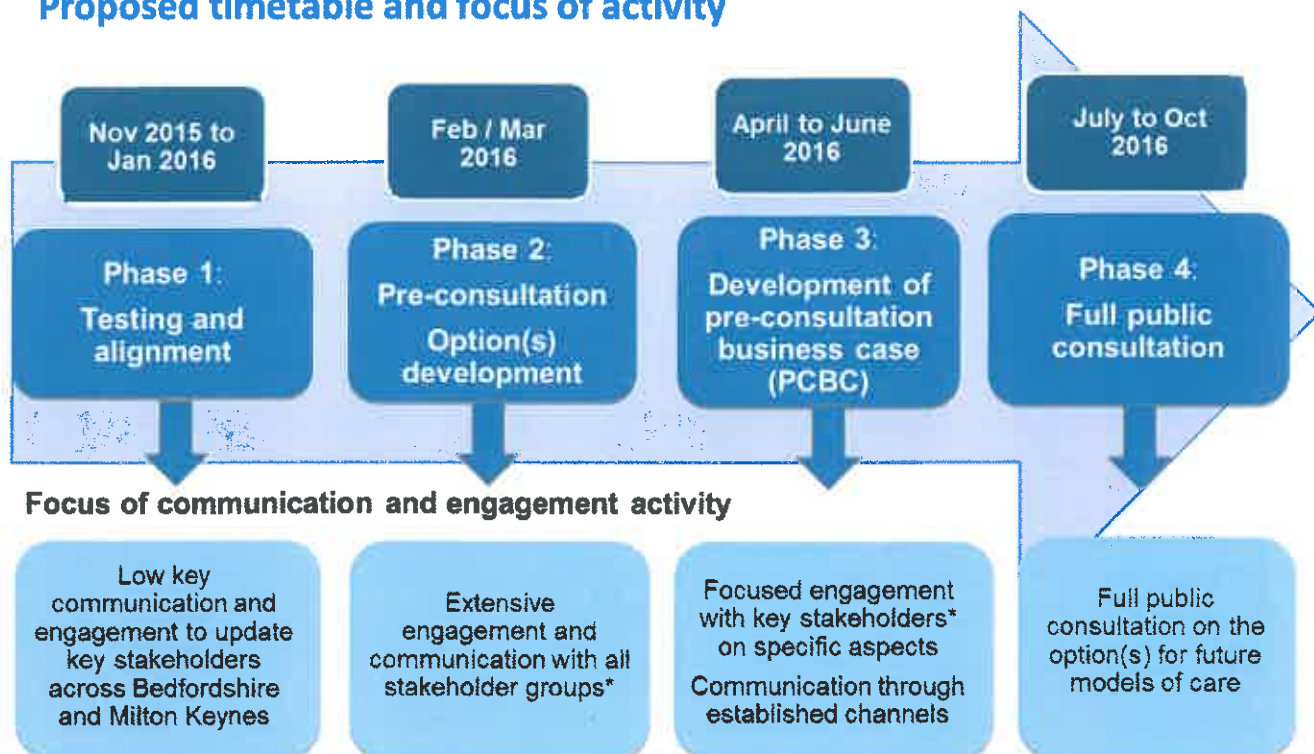

Bedfordshire and Milton Keynes Healthcare Review

Consultation and Engagement

It has now been agreed that the Healthcare Review will be taken forward as a joint programme between Bedfordshire and Milton Keynes, working towards full public consultation from summer 2016 (see proposed timetable below).

A full Communications and Engagement Strategy is currently being finalised. This is the timeline outlining phases and key activity timings.

Proposed timetable and focus of activity

* Includes seldom heard groups: elderly, younger people, people with disabilities, carers, travellers, ethnic minorities, rural communities, low income families, homeless people
